1. Cut out all of the pieces. Cut out the three dotted rectangles on the body.
2. Score all of the tabs.
3. Fold the wings and beak so that the color is on the outside.
4. Put double-sided tape on every tab.
5. Begin by folding the body and sticking the tabs to the underside of the next piece.
6. Insert the wings in the side, and the beak in the face. Put the feet in front.
