1. Cut out all of the pieces. Cut through the two dotted lines on the body.
2. Score all of the tabs.
3. Put double-sided tape or use a glue stick on every tab.
4. Begin by folding the body and sticking the tabs to the underside of the next piece.
5. Insert two tentacles in the sides and put each of the remaining six along the bottom.
6. Use a pencil or pen to curl the tentacles.
