HANDMADE

PAPER TOY CRAFT - PENGUIN

Jen & Brian Gubicza | zooguu.com

1. Cut out all of the pieces. Cut through the three dotted lines on the penguin body.
2. Score all of the tabs.
3. Fold the flippers and beak so that the color is on the outside.
4. Put double-sided tape or use a glue stick on every tab.
5. Begin by folding the penguin body and sticking the tabs to the underside of the next piece.
6. Insert the wings in the side, and the beak in the face. Put the feet in front.
